Theoni V. Aldredge Collection
Date Range: 1959-2006 (Bulk Dates: 1972-1990)
Quantity: 4 feet (24 oversize boxes)

Description
Theoni V. Aldredge, a Goodman School of Drama alumna, is an award-winning costume designer and has designed costumes for Regional, Pre-Broadway, Off-Broadway, and Broadway plays and musicals. She has collaborated extensively with producer Joseph Papp in bringing Shakespeare and other historically important plays to mass audiences through her work with the Public Theatre and the New York Shakespeare Festival. The bulk of the costume designs in this collection are from shows produced between 1972 and 1990 and include preliminary sketches, completed designs, and some fabric samples. In addition to the costume designs are Aldredge's portfolio, her notes about the productions, and the notes of DePaul Theatre School faculty members Nan Cibula-Jenkins and Janet C. Messmer, who worked with and assisted in providing information for the collection. Their notes and Aldridge's production information are presented first in the collection (Box 1). The next section of the collection contains the costume designs, which are in alphabetical order by title of production (Boxes 2-22). Most of the costume designs are identified on the finding aid using the original titles, usually a character name is handwritten on the front or back of the sketch. Plays with only one costume design are in Box 23. A few supplementary materials are included with their corresponding plays and musicals. These materials include an original Broadway cast album from December 1, 1971 of the *Two Gentlemen of Verona* in Box 22. Performance posters for *The Grand Tour* located in Box 10 and for *Merlin* in Box 13. In addition, a playbill is included for *Onward Victoria* in Box 17. Additional supplementary materials (programs, a record album, and a DVD) were donated to the collection from other sources and are located in Box 24. The DePaul University Art Museum displayed a selection of the collection's costume designs for their 2006 Spring Quarter exhibit, *Theoni V. Aldridge: Broadway and Beyond*. Materials documenting this exhibit are in Box 1.

Provenance
Ms. Aldredge donated her archive of costume sketches to the DePaul University's Special Collections and Archives Department in 2002 (Accession Number: 2002.10).
