3) Click on **create your account**
4) Enter the requested information in the form to create your account. After you have filled in all of the required information, you will receive a verification email at the address that you have provided. Once you have verified your account, log in to the website with your username and password.

Welcome to the Duquesne University Site
ETD Administrator lets graduate students submit their completed dissertation/theses to ProQuest/UMI Dissertation Publishing for publishing. There are several steps in the submission process, which ETD Administrator will walk you through. Your submission will be reviewed for approval before it is submitted to ProQuest/UMI Dissertation Publishing.
