

# ProQuest Central is for Everyone!

Linda Cubias, MLIS

Senior, Training & Consulting Partner

# ProQuest Central

- ProQuest Central can stand alone or form the core and scaffold of a library's offerings, making it the **best** general reference solution for statewide implementation

# It's Big, and Getting Bigger!

- It includes **thirty** component databases
- Two new databases will be added in 2016 plus several hundred additional newspaper titles
- Cross-searchable with other ProQuest platform resources

AGRICOLA	Environmental Science Collections
Education Journals	ERIC
Entrepreneurship	LISA
Ethnic Newswatch	MEDLINE

## ABI/INFORM Complete

The most comprehensive ABI/INFORM™ database, this comprises ABI/INFORM Global, ABI/INFORM Trade and Industry, and ABI/INFORM Dateline. The database features thousands of full-text journals, dissertations, working papers, key business and economics periodicals such as the Economist, country-and industry-focused reports, and downloadable data. Its international coverage gives researchers a complete picture of companies and business trends around the world.

You have access to:

# The Largest and Fastest Growing Multidisciplinary Database in the Industry

- 175+ subject areas are covered by diverse content types and sources
- More than 22,000 periodical titles
- Over 100,000 total titles
- More than 1,000 full text newspapers
- Videos, blogs, websites, and transcripts

# Advantages For Users

- A single, simplified, state-of-the-art interface
- Broad cross-search for interdisciplinary research
- Narrow, focused search in major subject areas
- Periodical content is updated daily
- Most full text backfiles extend over 30 years

# Advantages for Librarians

- One point for all administrative needs
- Training on one platform
- Addresses users at every experience level

# Exclusive & Diverse Content

- Videos for home health procedures and medical training combined with timely topics on business start-ups, leadership, environmental science, ecology, history, and social sciences
- Superior business coverage for the start-up community, local businesses, local and state government agencies and departments
- Dissertations and Master theses subject-indexed for studies in education, teacher-training, nursing, psychology, and business
- Newspapers – over 1,000 active state, national, and international newspapers
- Blogs, websites, and radio & TV transcripts

# ProQuest Central in the Public Library

- ProQuest Central is not just for scholarly researchers
- Patrons can find titles they see every day at the grocery check-out, along with titles of special interest to lifelong learners, parents, travelers, active adults and children.
